Dear [Supporter's Name],

Great news! I have recently made a decision to go on an outreach trip to trip to [Country] with an organization called **Fuel International!**

I am excited about this trip because Fuel International has committed to equipping me to be effective in reaching out to the people of [Country], while also challenging me to become more aware of the needs of others in my own community. I cannot think of a better way to spend my [insert season] than helping others in need.

[Country] is located in [Continent], but I will be meeting my team first in [Trip Starting Location], flying to [Country] and doing training and preparation for the first couple of days. I will be home on [Trip End Date].

While we are in [Country], I will be helping others by [Share about the humanitarian outreach opportunities such as clean up, painting, construction, outreach activities for kids, etc.].

The total cost of this trip is \$[Total Trip Cost] and covers everything once I arrive in [Trip Starting Location]. During the next few months I will be working very hard to raise the funds to go on this adventure and I want to kick it off by asking you to play a major role in this trip by considering a donation.

Any amount you give will be greatly appreciated, and because Fuel International is a registered non-profit, your donations will be **tax deductible!**

If you'd like to support me, send a check along with the included form to Fuel International or you can donate online at www.fuel.org/donate using my Trip ID# [Trip ID#].

Your encouragement and financial support plays a vital role in being able to help those in need in [Country]!

If you have any questions you can call me at [Missionary's Number] or a Fuel International representative at **1.855.383.5488**.

My goal is to have \$[Goal Amount] raised by [Goal Date], so I have a very important question to ask. Thank you so much for your consideration donating. **You will help me make a difference in this world!**

Sincerely,
